## Auditor General's report and audit opinion

I certify that I have completed the audit of the Annual Return for the year ended 31 March 2023 of **Tenby Town Council**. My audit has been conducted on behalf of the Auditor General for Wales and in accordance with the requirements of the Public Audit (Wales) Act 2004 (the 2004 Act) and guidance issued by the Auditor General for Wales.

### **Audit opinion: Qualified**

Except for the matters reported below in my Basis for Qualification, on the basis of my audit, in my opinion no matters have come to my attention to give cause for concern that, in any material respect, the information reported in this Annual Return:

- has not been prepared in accordance with proper practices;
- that relevant legislative and regulatory requirements have not been met;
- is not consistent with the Council's governance arrangements; and
- that the Council does not have proper arrangements in place to secure economy, efficiency and effectiveness in its use of resources.

### **Basis of Qualification**

#### **Accounting Statement**

I am unable to conclude whether or not the Accounting Statement properly/fairly presents the Council's income and expenditure and financial position:

- The Council has been unable to explain why their accounting system and records differ to the reported figures.
- The Council's reported figures include an error of include a receipt totalling £12,224 as negative expenditure within line 4. (Staff costs)
- The Council has failed to provide supporting records regarding its grant income it has received within the year.
- Based on the figures within the accounting system we would expect the following figures to have been reported:
  - Line 3 (Total other receipts) - £101,760
  - Line 4 (Staff Costs) - £96,985
  - Line 6 (Total other payments - £193,190
  - Line 12 (Total fixed assets and investments) - £2,982,969

### **Other matters and recommendations**

I draw the Council's attention to the following matters and recommendations which do not affect my audit opinion but should be addressed by the Council.

#### **Fees and Charges**

The Council has not reviewed its fees and charges in the 2022/23 financial year. The Council should formally confirm on an annual basis all fees and charges set by the Council. We recommend that the Council publishes all fees and charges it sets.

## Additional disclosure notes\*

The following information is provided to assist the reader to understand the accounting statement and/or the Annual Governance Statement

### 1. Expenditure under S137 Local Government Act 1972 and S2 Local Government Act 2000

Section 137(1) of the 1972 Act permits the Council to spend on activities for which it has no other specific powers if the Council considers that the expenditure is in the interests of, and will bring direct benefit to, the area or any part of it, or all or some of its inhabitants, providing that the benefit is commensurate with the expenditure. Section 137(3) also permits the Council to incur expenditure for certain charitable and other purposes. The maximum expenditure that can be incurred under both section 137(1) and (3) for the financial year 2022-23 was £8.82 per elector.

In 2022-23, the Council made payments totalling £ 29,318 under section 137. These payments are included within 'Other payments' in the Accounting Statement.

3.

\* Include here any additional disclosures the Council considers necessary to aid the reader's understanding of the accounting statement and/or the annual governance statement.

## Council/Committee approval and certification

The Council/Committee is responsible for the preparation of the accounting statements and the annual governance statement in accordance with the requirements of the Public Audit (Wales) Act 2004 (the Act) and the Accounts and Audit (Wales) Regulations 2014.

<p><b>Certification by the RFO</b></p> <p>I certify that the accounting statements contained in this Annual Return present fairly the financial position of the Council/Board/Committee, and its income and expenditure, or properly present receipts and payments, as the case may be, for the year ended 31 March 2023.</p>	<p><b>Approval by the Council/Board/Committee</b></p> <p>I confirm that these accounting statements and Annual Governance Statement were approved by the Council/Board/Committee under minute reference:</p>

## **Insurance**

In our view the Council has only limited fidelity guarantee insurance coverage regarding covering the risk of fraud. We recommend that the level of cover should be reviewed to ensure that the level of cover is at least the balance carried forward plus one precept instalment for the next financial year.

## **Section 137 Disclosure**

The Councils accounting system has only recorded £3,000 S137 expenditure. This is inconsistent with the disclosure made on page 3 of the Annual Return.

We recommend that the Council checks the accuracy and consistency of the accounts disclosures before approving the accounts.

## **Outdated Contract of Employment**

The contract of employment of the Clerk still refers to being appointed on the LC2 Substantive Benchmark pay range of the National Joint Council for Local Government Services (NJC) has agreed the new pay scales. The NJC pay scales were amended in 2019-20. Following annual increments, the clerk is now paid in the LC2 Above Substantive Benchmark pay range.

This means there is an inconsistency between the contract of employment and the pay awarded by the Council. We recommend that the Council reviews the Clerk's pay and if necessary updates the Clerk's contract of employment.

There are no further matters I wish to draw to the Council's attention.
